

## Peter Walks on Water

"Let us fix our eyes upon Jesus  
the author and perfecter of our faith".

*Hebrews 12:2*

One day something happened which reminded him how important it is to keep our eyes on Jesus. The disciples had just seen Jesus feed 5,000 men, women and children as well, with just five loaves and two fishes. How amazing was that! They must have been feeling really good. Jesus then sent the disciples ahead in their boat while He said goodbye to the people and then went into the hills to pray.

**So...** what happened next?

It started to get dark and the disciples were still in the boat.

**Suddenly...** the disciples saw someone walking on the water. They were afraid, they thought it was a ghost!

Who do you think it was?

You can find the answer in *Matthew 14:27*

Yes, that's right it was Jesus! "Don't be afraid." He said.

Then Peter said that if it was really Jesus He could tell him to come.  
"Come." Said Jesus.

And..... he did, he actually got out of the boat, **looked at Jesus** and started walking towards him.

But..... then he **looked at the wind and the waves** around him and he started to sink.

But..... Jesus reached out his hand and saved Him. Peter **looked back at Jesus**

Once they were all back in the boat and the wind and waves became calm, the disciples worshipped Jesus as they realised that he was the Son of God.

At this time of Coronavirus and Lockdown and at any time of difficulties, we are often a bit like Peter. Sometimes things are ok and we carry on Praising God and looking to Him, fixing our eyes on Him, but then along come some 'wind and waves' and we get worried or anxious and take our eyes off Jesus. **But** Jesus is always there to take our hand and bring us through the 'wind and waves' and then like Peter we can fix our eyes back on Jesus and remember, like the disciples, that Jesus is the Son of God.

## Prayer

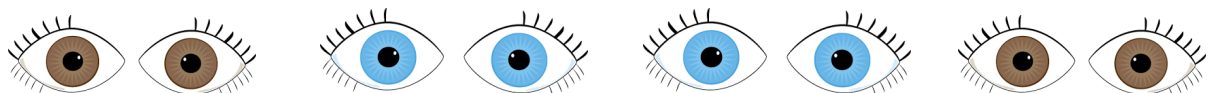

Thank you Jesus that you are our faithful friend and  
that you love us so much.

Thank you Jesus that you are always there for us  
no matter what happens.

Thank you Jesus that you are always ready to reach out  
and take our hand and help us.

Help us to keep our eyes fixed on you.

Amen

I learned a song many years ago that I often remember because the words are a really helpful reminder that we need to fix our eyes on Jesus our 'Faithful Friend'. Here are the words.

*When the road is rough and steep  
Fix your eyes upon Jesus  
He alone has power to keep  
Fix your eyes upon him.  
Jesus is a faithful friend  
One on whom you can depend  
He is faithful to the end  
Fix your eyes upon Him!*
